Monson-Sultana School Interdistrict Contract

Explanation of Interdistrict Requirements:

1. **Attendance/Tardies** – It is critical for the child to be in school and be on time. There is no bussing for interdistrict students, and we know that transportation can be a problem, so we ask the parent to assure us that the child **will be here** and **be on time**. Excessive absences damage a child’s learning and can really impact a school financially. Students must also be picked up daily at **dismissal** time. They are not allowed to remain on campus unsupervised after school hours, **and they should not be removed early from school unless it is for a verifiable medical appointment.**
2. **Behavior** – We ask our community to support us in allowing out of district children to attend Monson- Sultana School by promising them that we will not have students with behavioral problems. Students with behavioral problems in the classroom can dominate a teacher’s time and take away from the rest of the students. We assure parents that if there is a child with excessive discipline problems, the interdistrict child will be sent back to the district of residence.
3. **Academic Performance** – We ask that all of our interdistrict students work to the **best of their abilities and be able to meet grade level standards.**
4. **Parent Involvement** – We ask that parents of interdistrict students be involved in what is happening at Monson-Sultana School. We feel that all children will achieve at higher levels when their parents are involved in school functions and activities, not just parent conferences, assemblies, etc. There are many activities scheduled throughout the year and we ask our interdistrict parents to participate in as many activities as possible.
5. **Emergency Contacts** – Parents must keep the school up-to-date with current phone numbers of responsible adults who can be called in the event of an illness or emergency.
6. **Probationary Period** – All newly approved interdistrict students will be placed on a conditional basis with a (1) one year probationary period.

I understand the requirements for interdistrict attendance, and I understand that interdistrict attendance approval is granted on a yearly basis. I understand that if these requirements are not met to the satisfaction of the School Board, the Board will not grant renewal for the following year. I understand that I have a right to appear before the Board of Trustees for the Monson-Sultana Joint Union Elementary School District to discuss interdistrict attendance, but the final decision for granting the interdistrict request is left to the discretion of the Board. Under certain circumstances, an interdistrict transfer student not meeting interdistrict requirements is subject to having the interdistrict agreement terminated immediately.
